

# LAKSHIT AVINASH CHAMOLI

Eligible to work in Ireland | +353 894367671 | [lakshitchamoli95@gmail.com](mailto:lakshitchamoli95@gmail.com) | [linkedin.com/in/lakshit-chamoli](https://www.linkedin.com/in/lakshit-chamoli) | Dublin

## Professional Summary (Available Immediately)

Versatile and detail-oriented Analyst with around 5 years of experience in **business integrations, system migration, and process mapping** through digital and data transformation, proud member of **IIBA**, aspiring CBAP, recently earned a **Professional Scrum Master I certification**. Specialise in gathering requirements, delivering IT strategy, and leveraging tools like **Power BI, Tableau, and SQL Database**. Excel in driving innovation, efficiency, and impactful business strategies among **multidisciplinary delivery teams**.

## Work Experience

**Team Member, SPAR Ireland** Apr 2025 - Present

- Tracking and monitoring daily stock levels to anticipate demand and minimize waste.
- Collecting and recording order volume data to support efficient prep and purchasing cycles.

**IT Application Development Analyst, Accenture** May 2021 - Jul 2022

Fortune Global 500 firm driving financial insights through advanced data analytics and BI solutions.

- Collaborated with internal/external stakeholders to **write and validate requirements**, themes, epics, user stories, use cases, process models with clear acceptance criteria, and made necessary adjustments in project direction or priorities.
- Automated **SAP Financial** workflow scripts (P&L, Balance Sheet), including **Procure-to-Pay, Acquire-to-Retire, Record-to-Report**, resulting in a 20% boost in testing efficiency and significantly reducing manual testing efforts.
- Monitored **data quality and integrity** through data analysis by extracting data from large and complex data sets using **SQL** queries to ensure uninterrupted data flow between upstream and downstream **digital** applications.
- Spearheaded **process improvement initiatives**, streamlining the Data dictionaries and catalogues to support process transparency, through **digital innovation** trends and **collaboration** between **Technology & Data Management Team**.
- Built interactive dashboards using **Power BI and Tableau**. Presented them to my client, Archer Daniels Midland, a Fortune 50 global agribusiness with \$100 B+ in revenue, delivering real-time insights and performance tracking.

**Senior Quality Analyst, LTI - Larsen Toubro Infotech** Nov 2017 - May 2021

Fortune 500 digital transformation and technology consulting leader serving global enterprise clients.

- Led **SDLC** initiatives across **Waterfall and Agile** frameworks, driving **SCRUM** ceremonies, including sprint planning, reviews, and retrospectives. evolved the product backlog, aligning with a shared product vision.
- Cultivated strong **data management** expertise to elicit business requirements, aligning the **Change Requests** (Collection and prioritisation) with strategic goals and resolving critical issues during **System Integration Testing (SIT)**.
- Designed and executed 100s of comprehensive **test cases** via **CI/CD**, validating business requirements, use cases, and functional specs to ensure alignment with user expectations and successful **User Acceptance Testing (UAT)**.
- Executed large-scale **automated integration testing** via Jenkins on **distributed execution (DEX)**, delivering **Root Cause Analysis (Data issues), Gap Analysis**, and performance insights to my client, HBO (Home Box Office).
- Led active issue tracking via **Azure DevOps** and **JIRA**, streamlining defect resolution and reducing user acceptance, unit, and system testing duration by 30%, enhancing project delivery timelines with **scalable solutions**.
- Performed early-stage end-to-end **API analysis** using **REST/SOAP** protocols and Postman to identify functional and **data-level defects**, reducing rectification costs by 4x and improving traceability through structured defect triage.

## Education

**MSC in Business Analytics, (Grade 2:1)** Sep 2022 - Dec 2023

UCD Michael Smurfit Graduate Business School, Ireland

**BE: Electronics and Communication (GPA 8.34 / 10)** Jul 2013 - Aug 2017

Sardar Vallabhbhai Patel Institute of Technology, India

## Skillset

---

- **Technical Skills:** SQL (Oracle MySQL Workbench), Tableau, Power BI, Python (NumPy, Pandas), TOSCA, SharePoint, Microsoft Office 365, Automation solutions, Data Integration Testing, API Testing, Metadata Management, Data Dictionaries, Data Catalogues.
- **Data & System Skills:** Data Lineage Mapping, Data Quality Monitoring, Root Cause Analysis, Process Optimisation, Agile & Scrum, ICT Service Management, Data Governance, Data Stewardship, BAU Support, Requirements Gathering.
- **Project Management & Business Skills:** Stakeholder Engagement, Documentation & Reporting, Sprint Planning, UAT, Continuous Improvement, Business Process Mapping, Change Impact Analysis, Communication.
- **Soft Skills:** Creative vision and innovation, Storyteller, Collaborator, Critical Thinker, Curious, Presentation skills,

## Projects

---

- [Survival Analysis of RMS Titanic Passengers](#) dashboard using **Microsoft Power BI**, **Excel**, and **Microsoft Power Automate**. Implemented the star data model for visualisation and analysis.
- [US Flight Delay Dashboard](#) (Business Decision Support System) using **Tableau**, **DAX**, **Power Query Editor**, and **SQL**, enabling users to interact with the system and extract valuable insights.
- Network simplification, extracting longitudes and latitudes from the given network using **ArcGIS** and **Python** extension libraries.

## Certifications & Achievements

---

- **Professional Scrum Master I (PSM I)** certification from Scrum.org.
- **ISTQB Foundation Level** certification from the Indian Testing Board.
- **MySQL for data analysis / Business intelligence**, Data science boot camp, Tableau Data Analyst, certifications from Udemy.

## Hobbies & Interests

---

- Badminton: Intermediate player. I represented my school at a district-level badminton tournament.
- Running: A proud member of Parkrun Ireland. Completed the first park run of 5 km at Dodder Valley, Dublin.
